Sound, Slides, and Worship

We are so grateful for the men and women who faithfully serve each of us as volunteers on Sunday mornings; especially our Tech team members! They work tirelessly to insure you and I can worship through singing, through prayer, and through the preaching of the word without distraction. Would you help us to honor their hard work by giving them space on Sunday mornings? If you notice something or have a concern, please direct that to David Carter or Dave Bruscher instead of the volunteer. Also, please know that ear plugs are available near the sanctuary doors.
